

# STRENGTHS AND CAREER INSIGHTS

## For Optimizing Your Job Search

Whether you are coming into the job market for the first time or in a career transition, you have a lot to offer. But the choices can be daunting. Create direction and momentum in your job search by gaining insights into your own strengths.

### AWARENESS OF YOURSELF AND OTHERS

Finding the right career starts with you

- Innate strengths and weaknesses
- Primary motivational forces
- Communication style
- Others perceptions of you

### ATTRIBUTES OF YOUR IDEAL ROLE

Understand how your strengths apply to career direction

- Things to look for in a work environment
- Attributes of your ideal job roles
- Characteristics of an ideal team for you

### JOB SEARCH

Gain personal guidance on your job search

- Resume & LinkedIn profile review
- Evaluate specific career options
- Pre-interview coaching

“Career fit is largely about aligning your natural strengths, actual job opportunities, and your purpose. That’s where we come alive.”

– Charles Causey  
AGILE PARTNERING

“Talent management is the number one concern of CEO’s in our study.”

– Harvard Business Review
